19. [REDACTED] LIAISON Jane Bonn, in the office of Senator Clifford Hansen (R., Wyo.), called requesting information for a constituent. She asked if we ever had an individual employed with this Agency using the names [REDACTED] or [REDACTED]. After checking with the Office of Personnel, I called Ms. Bonn and told her we had no record of this gentleman ever being employed with this Agency under either name. She thanked me for the information.

20. [REDACTED] EMPLOYMENT Ron Freedman, in the office of Representative G. William Whitchurst (R., Va.), called requesting employment information for a constituent in Philadelphia. After checking with the Office of Personnel, I provided Freedman with the name and phone number of [REDACTED] for the constituent to be in touch with her to set up an interview.
